

Administration - Recent Program menu

The screenshot shows the Jira Administration interface for the 'Resource manager' section. The page title is 'Resource manager' with a help icon. Below the title is a search bar and an 'Add resource' button. A paragraph explains that the list shows Jira users assigned to multiple Workload and Holiday plans, and that users can be assigned by clicking the 'Add resource' button. A table lists the following users and their details:

FULL NAME	USERNAME	CURRENT WORKLOAD PLAN	CURRENT HOLIDAY PLAN	CURRENT ABSENCE	CURRENT SKILLS
Albingo Verando	Albingo		DEFAULT HOLIDAY PLAN		DEVELOPER PROJECT MANAGER
